Stuck Witnessing

Small Group Questions – June 3, 2018

1. Share one of the major lessons or takeaways for you from this series on the Holy Spirit. How has this impacted your walk with God?

2. According to Acts 1:4-8, what does Jesus expect His disciples to say about Him? Why couldn't they immediately go out and start telling people about Jesus?

3. Briefly summarize one or two examples of things you have "witnessed" Jesus do in your life. What would it take for you to share about those with a non-Christian in your life? What would hold you back?

4. Why is surrendering to the Spirit's leading (ie. being Spirit-Filled) so important when it comes to sharing our faith (Luke 12:12, John 16:7-11; 1 Corinthians 2:2-16)?

5. What practices or experiences have helped you learn to listen and hear the Spirit's voice? How does this week's topic of evangelism?

6. Identify 2 people in your life who do not yet know Jesus that you would like to talk to about Jesus this summer. Take time to pray for these individuals with your group. Would you consider committing to pray for them at least twice a week, every week, over the summer and see how the Spirit might lead you to witness to them?
