

## 1FOR51 GOER Commitments

1FOR51 invites you to invest one week in short term missions to impact the other 51 weeks of your year, if not your life. It's about lives changed by Jesus - the lives of the people you go to serve, the lives of the people you serve with, and your life as you return to our community. 1FOR51 is a part of our PATH here at Bethel. It helps us to practically live out what it means to be multiplying disciples who are not only transforming our community, but also reaching out into our world!

Thank you for your willingness to GO! It is important that you understand your commitments before finalizing your participation. As a GOER, you will be connected to two PRAYER partner households who are committing formally to support you through prayer. Others can obviously join in prayer for you, but the specific 1FOR51 partnership will be 1 GOER matched with 2 PRAYing households. (A household may be a single person, a married couple, or an entire family - the idea is to engage the entire household in prayer!) As a GOER, you will be notified who your PRAYing partners are.

### The Commitments of a 1FOR51 GOER:

- raise your remaining financial support (above Bethel's 1FOR51 contribution) outside of the Bethel family
- watch the 1FOR51 PRAYER training video by Pastor Allan posted on BBC website
- review the 1FOR51 PRAYER Commitment Form so you are informed
- pray REGULARLY before, during and after your trip
- participate in training and preparation as required by the lead mission agency
- Meet with your 2 PRAYER partners before the trip - and then again after your trip to report - initiated by the GOER
- keep your PRAYER partners and Small Group members informed
- attend your Commissioning - to be done during Worship Service before your trip
- attend the post trip debrief meeting of your trip's GOERS to reflect, pray and work through your short-term experience for lasting discipleship impact
